

SHERBORNE
SENIOR SCHOOL

Name:

In Key Stage 4 (Years 10 & 11) there are four core areas that pupils must take (please note that in each one the pupils are directed by the school as to the most appropriate course to follow).

Core 1 & 2:

CORE 1: All pupils must study English or English as a Second Language. Pupils that study first language English will also usually study English Literature.

CORE 2: All pupils must also study Mathematics. Some pupils may also be invited to study an additional Mathematics related GCSE.

Core 3:

Most pupils select two of the three Sciences (i.e., any two from Biology, Chemistry and Physics). If a pupil wants to take all three Sciences, then this will be selected as an optional i/GCSE (see next page).

Science Option 1	Tick '✓' below	Science Option 2	Tick '✓' below
Biology		Biology	
Chemistry		Chemistry	
Physics		Physics	

Core 4:

Every pupil must take at least one language.
