Uniform Policy

We are very proud of our school and the high expectations we set ourselves. A visible sign of these high standards is our school uniform. We believe that wearing the Sherborne uniform:

- promotes pride in 'The Penny',
- engenders a sense of community and belonging towards the school and each other,
- identifies the children with our school and the Penny which, in turn, symbolises all the values and learning dispositions we stand for.

Our aim is to provide a clear uniform policy for pupils and parents and for staff to implement the policy firmly, consistently, and fairly at all times. Parents have a duty to send their children to school correctly dressed and ready for their daily schoolwork. One of the responsibilities of parents is to ensure their child has the correct uniform, and that it is clean and in good repair and we thank you for your support.

All pupils are expected to be in correct school uniform every day, and guidance is also given as to what is permitted during non-uniform days.
